RIDE AND HAVE FUN!

Web: www.mendocinohog.com

Welcome to the Harley-Davidson Family!

As a new or current owner of a Harley-Davidson, one would assume you may be on the look out for a fun and friendly group to ride with. We just might have the answer for you. A chance to develop new friendships with fellow bikers, the opportunity to improve your riding skills, and of course, enjoy the wonderful experience of riding the back roads of California and beyond. If any or all of these things appeal to you, then those of us at Mendocino County California Harley Owners Group would like to extend an open invitation for you to come to one of our monthly membership meetings and/or come join us for a ride.

Currently Mendocino County California H.O.G. has over 70 members from every background imaginable with at least one very important thing in common, riding our Harley's. Our focus, as always, is to **“Ride and Have Fun”**. We strive to provide as many varied riding opportunities as

possible without draining your wallet dry, help you gain valuable riding experience, and to provide our members with a fun, **safe**, social experience along the way.

We encourage you to visit our website and check out our Safety Page for Group Riding information. Our group riding guidelines will give you valuable insight into our group riding practices and how we conduct ourselves during Chapter sponsored rides. We offer experienced Road Captains for most rides, conduct a safety briefing prior to every ride and encourage every Chapter member to complete a professionally taught motorcycle safety course.

Our monthly newsletter also contains safety tips and a calendar of Chapter rides and events. This information and much, much more is located at our website – www.mendocinohog.com. As a member in good standing, you will have complete access.

We also cordially invite you to come on down to one of our monthly membership meetings. During the winter months, they are held the first Thursday of each month at Ukiah Garden Café, 1090 S. State St., Ukiah, CA. Our meetings start at 7:00 pm but we encourage all to please come early (6:00 PM) to eat and socialize. You can order off their menu or just come for the meeting. Don't be bashful when you come.

If you are not sure what to do, look for an officer rocker on our vests and say hello! We'll be glad to share information about our Chapter. During our fair weather months, our meetings are held on the first Saturday of each month and include a ride to either a lunch or dinner destination. Meeting information can be found in the newsletter and on our web site.

Rides and Events information are listed on our web site. Check the website for meeting place and times. We encourage all riders to be gassed up and ready to ride 15 minutes prior to departure time for the ride briefing. Whether you are a member or not, we'd love to have you join us.
